October, 2022

From the Manager:

There is to be nothing in your yards besides tear free patio furniture, landscaping and a generally well-maintained yard and or decorations. Violations will be issued weekly to all residents not in compliance. Decks are to be free of clutter and trash at all times. Decorations for the Holidays are 100% Acceptable of course. The holiday décor needs to be removed within 30 days of a holiday. All political signs from the recent election need to be removed per the community rules and regulations.

We are planning our Second Annual Trunk or Treat. It is going to be held on Friday, October 28, 2022 from 5:30pm-7:30pm. Please let us know if you are going to participate and what theme you will be doing.

All pools are to be emptied daily and put up. If this is not followed, we will have to remove all pools from the community and they will no longer be allowed.

The office has received calls about kids in other people's yards and messing with water spigots. Please let your kids know to stay out of your neighbors' yards. If caught or anymore problems, it will be a Lease Violation.

We have been having a lot of problems with speeding through the community. The speed limit through the community is 10MPH. Please watch your speed as there are kids out playing, families out for a walk or just enjoying the community. Please let's work together to make this a safe community and everybody watch their speed. We are also still having a problem with kids walking through other people's yards and taking items. This will be lease violations and could lead to a Just Cause eviction.

All bikes, mowers, or any other outside storage items need to be in your shed or behind your steps. Trash cans need to be behind your home's steps if able

and out of sight for community appearance standards. Cans shouldn't be visible from the road if possible... at all.

Also, Republic has asked to remind you that if it doesn't go in the can, they will not pick it up. You are responsible for removing furniture and anything outside the can from the community immediately and if it sits on the curb a community rule violation will be issued, if our staff removes it, you will be charged \$40 per bag or Large Bulk Item. Please if you have a broken can, reach out to the office staff so we can get them replaced. Also, we are working on setting up a service for leaves this fall. Once that is taken care of and we have information, we will make sure to get it to all of you.

All dogs in the community must be registered with the community office, on their leash at all times and never left on a tie out as tie outs are against the community rules and regulations and city ordinance.
